

## APPLICATION FORM

Your name			
Institution		Country	
Email		Telephone Number	
In what place(s) / institution(s) will the project take place?		Start and end date of project (Minimum 6 months duration, maximum 10 months)	

Write about your previous experience with teacher-research (no more than 100 words)

Other project group members (names if possible -- otherwise, numbers involved), with details of their likely teaching contexts, and their roles in the project. Indicate different group members' levels of experience with teacher-research next to their names (where known)

General description of the project, with brief justification (Maximum 200 words)

Project aims (Maximum 200 Words) -- how will support and/or mentoring for teacher-research be provided? What is the group hoping to achieve by the end of 10 months (maximum, from beginning of July 2016 at the earliest)

Describe the group in no more than 200 words. How well-established is it already?

Timeline of activity (what will you & team members do and hope to achieve in each month of the project?)

What existing work does the project build on? How will it extend this work? (no more than 200 words)

How will you evaluate whether your project aims are being achieved / have been achieved by the end of the project? (no more than 200 words)

Budget -- what will you spend the £1,000 on? Important note: this is money to help the group with its support of teacher-research and cannot be used, for example, to pay a group member a fee or to buy books or equipment which are not primarily to be used in the project. Please break the £1,000 down into areas of expenditure - e.g. Venue hire £200; purchase of equipment (what equipment, and what for?) £300; meeting refreshments £200 etc. etc.
